### 8. Residents' Concerns.

Members noted the tabled information.

### 9. Working Party Reports.

The report of the Buildings working party was noted but in the light of the potentially serious boiler problems it was agreed that priorities may need to be adjusted. Cllr Hiley showed curtain samples and it was agreed that quotations for new stage curtains should be considered at the next Leisure Services Committee meeting. Cllr Amos had received estimated costs for items 3 and 4 and suggested item 9 be suspended due to changed subsidies making solar panels less viable. **ON THE PROPOSITION** of Cllr Riordan, **SECONDED BY** Cllr Hayes, **IT WAS UNANIMOUSLY RESOLVED** that the recommendations be accepted subject to unforeseen problems, emergencies or professional advice.

Cllr Mrs. Allen reported that daffodil bulbs had been planted recently and the new compost was being put in the usual places.

### 10. Open Spaces Matters.

The Clerk explained, for the benefit of newer members, the historical aspects of the access problems being experienced by a parishioner and the area of parish land that was linked to it. Following careful consideration, the Clerk was asked to investigate costs involved to potentially reduce or eradicate the problems. Members also considered the request from a resident to purchase a small piece of parish land adjoining his property. The Clerk was instructed to acknowledge the request and investigate the feasibility of the request.

### 12. Clerk's Report/Open Spaces Report.

The Clerk reported that since the last meeting she had still not received the quote for tree works, therefore the planned publicity had not yet been actioned for a Diamond Jubilee Planting Scheme. There were some complaints still about the quality of the goal mouth areas on the adult pitches and this was being closely monitored. Two more complaints had been made by a neighbour about noise disturbance on parish land and this was being investigated, with replies requested by 7<sup>th</sup> November to both these and a further complaint. It was difficult to prevent all issues like this and a verbal apology had already been given. The new security gate was being installed the following week which should help. The RoSPA report on the playground inspection would be circulated for the December meeting. Outstanding tasks and ground work from the July inspection report by members were being allocated to Wardens. Inspection of the war memorial was also still to be arranged.
