Members considered how best to progress the album records and Cllr Miss Munro volunteered to make preliminary plans to aid members with the contributions they hoped to make (introduction, diary of project, minutes of decisions, photos, acknowledgements of all help received). This could be discussed at a working party and finalised at the next meeting. Following consideration, **IT WAS RESOLVED** that the project be entered in the Solihull in Bloom Community Involvement Award. The Clerk anticipated that judging would be taking place in July and that the albums would be a valuable record of their progress to date.

9. Celebratory Event June/July 2012.

Members discussed the two previous suggestions of a 'Jubilee Ball' or 'Picnic in the Park' and, following consideration, **IT WAS UNANIMOUSLY RESOLVED** that the Youth Council would provisionally support a Diamond Jubilee event in the park on Monday 4th June 2012, with the Pavilion being reserved and arrangements being finalised later. Local youth groups and schools would be contacted by the Clerk to see if they would either support an event, like to know more details later or if they were not interested. This would help preparations for the scale of the event and future planning, with additional ideas for the Olympics being considered depending on community response. A letter of congratulations to the Queen would be appropriate nearer the date.
